

# JUSTIN M SHOOK

---

6644 E Scarlett St, Tucson, Az 85730 • Tel: (520)891-9412 • jshookpima@gmail.com

## WORK HISTORY

---

### **Intern**

*M3 Engineering & Tech Corp.*

*Tucson, AZ  
Nov 2011 to Present*

Entry level position with in a large international engineering firm.

### **Certified Nozzleman**

*Patio Pools and Spas*

*Tucson, AZ  
Aug 2008 to Present*

As the nozzleman, it is my responsibility that the concrete is placed in such a manner that there is the correct amount of material to work with and that the material is placed with accuracy and precision that corresponds with American Concrete Institute's rules and regulations.

- Very confident of abilities.
- Constantly sharpens and updates skills.
- Seek new ideas and approaches.

### **Shotcrete Foreman and Manager**

*Prima Pools and Spas*

*Tucson and Phoenix, AZ  
May 2008 to Aug 2008*

I was responsible for communicating with the office and other managers when projects were ready for phases of construction. I also worked with the excavators, plumbers, steel, electrical and deck phases often making sound decisions in the absence of detailed instructions.

- Familiar with operating small Caterpillar tractors and related equipment.
- Able to work in extreme conditions without fault.

### **Laborer, Nozzleman, Foreman**

*Patio Pools and Spas*

*Tucson, AZ  
Apr 2002 to May 2008*

Over the course of six years I moved up from a concrete laborer to a nozzleman and then a foreman of a four man crew, learning my skill set from some of the best in the industry.

## EDUCATION

---

### **Pima Community College**

*Associates of Engineering*

*Tucson, AZ  
Aug 2009 to Present*

Currently working on an Associates of Engineering, will be transferring to complete a BS in Engineering from the University of Arizona early 2013.

- 3.6 current GPA

- Fulltime student with mathematical and engineering classes.

## **MEMBERSHIPS**

---

- Member of the American Shotcrete Association
- Member of the American Concrete Institute

## **SOFTWARE/SYSTEM SKILLS**

---

I have knowledge of Microsoft Works 2010 and other basic computer and internet skills. I also have experience with large production printers and their supporting computer software.
